PREDATOR SS

Semi-Automatic Stretch Wrap System

Simple and easy to use, the Predator SS is the affordable solution to stretch wrap your load without stretching your budget. The Predator SS is loaded with features, including top and bottom counters, photo eye, and two (2) wrapping modes.

State-of-the-art INFO screen shows current machine operation and makes troubleshooting easy. The Simplified Stretch allows you to precisely adjust your stretch level and film force on your load with the turn of a knob.

Low Profile shown
High Profile available
