

## Simple, Reliable, and Hard-Working for Superior Packages Every Time

The Shanklin Model T-7H Shrink Tunnel gives you the heavy-duty, continuous service your packaging production demands. Loaded with features and accessories, the highlight of the T-7H is a higher tunnel opening designed to easily accommodate those medium- to high-profile packages that can pose frustrating wrapping challenges. Easy access front-mounted control box comes standard on the T-7H, in left- or right-hand options.

**Virtually Maintenance-Free**  
– Thanks to straightforward, dependable design.

- **Easy to Use** – Set temperature, conveyor speed, velocity, and go!
- **Flexible** – Adjustable top air jet velocity ensures superior shrinks of unusual product.
- **Durable** – Features heavy-duty conveyor, stainless steel mesh belt, and variable speed DC drive.
